

RESOLUTION NO. 2018-01

A Resolution of the Northwest Seaport Alliance delegating administrative authority to the Chief Executive Officer from the Alliance Managing Members, and superseding prior Alliance Resolution No. 2016-04.

WHEREAS, the Port of Seattle (“POS”) and Port of Tacoma (“POT”), (collectively, “Ports”), are public port districts, organized under provisions of the laws of the State of Washington, codified under Title 53 RCW; and

WHEREAS, the Ports, pursuant to Federal law (46 USC Section 40301(b) (1-2)), have filed a discussion agreement (“Discussion Agreement”) with the Federal Maritime Commission (“FMC”) for permission to operate certain marine cargo facilities jointly under as The Northwest Seaport Alliance (“Alliance”), and the Discussion Agreement became effective on July 23, 2015; and

WHEREAS, the Ports have formed the Alliance, pursuant to the Discussion Agreement and subject to FMC oversight, and entered into an Interlocal agreement with delegated powers exercised pursuant to the port joint powers statute (RCW 53.08.240) which expressly permits joint operation and investment outside of a port’s district, and pursuant to RCW 39.34.030, the Interlocal Cooperation Act, and pursuant to ESHB 1170, WA Session Laws of 2015-6, (Chapter 53.57), which authorizes the Ports to create a Port Development Authority (“PDA”) to operate certain marine facilities jointly as the Alliance; and

WHEREAS, the operations and affairs of the PDA are managed by the port districts as members of the PDA and the charter (“Charter”) for the PDA and each port district member (“Managing Member”) acts in such capacity through its own elected commissioners; and

WHEREAS, the Managing Members previously adopted Resolution 2016-04 which delegated certain administrative authority to the Chief Executive Officer from the Alliance Managing Members; and

WHEREAS, the Managing Members now seek to amend that Delegation of Authority and supersede prior Alliance Resolution No. 2016-04.

NOW, THEREFORE, be it resolved by the Managing Members of the Alliance:

THAT the Delegation of Authority Master Policy, as set forth in Exhibit “A” attached to this Resolution and by this reference incorporated herein, is adopted for the purpose of delegating from the Managing Members to the Chief Executive Officer (“CEO”) the administrative authority of the CEO.

ADOPTED by the Managing Members of The Northwest Seaport Alliance at a regular meeting held on the 5th day of June 2018 a majority of the Managing Members being present and voting on this resolution and signed by its Co-Chairs and attested by its Co-Secretaries under the official seal of said Managing Members in authentication of its passage this 14th day of August 2018.

1. DEFINITIONS

a. Alliance

Refers to the joint management of marine cargo operations by the Port of Tacoma (POT) and Port of Seattle (POS) pursuant to interim joint operating and management agreement, created by POS and POT and the Interlocal agreement with delegated powers exercised pursuant to the port joint powers statute (RCW 53.08.240) which expressly permits joint management, operation and investment outside of a port's district, and pursuant to RCW 39.34.030, the Interlocal Cooperation Act for the purposes outlined in the Preamble, Section 2.a.i, below.

b. Annual Capital Investment Plan

Means the five-year projection of capital and major expense projects and associated expenditures which is developed and maintained as a planning tool for Alliance capital investment and which is reviewed by the Managing Members annually as part of the five-year plan of finance and budget review process, or as subsequently amended by the Managing Members during the budget year.

c. Approval

A recommendation to move work forward for analysis and development of data and documents to support potential authorization. Approval does not denote authority to expend funds (see "Authorization" below).

d. Authorization

Authorizes spending, entering agreements, administrative actions, and real estate actions, and other items as outlined in this resolution. Authorization is given by the Managing Members to the CEO per the Delegation of Authority Master Policy. Authorization implies an action item in public session if the required level is beyond CEO delegation level per the Delegation of Authority Master Policy.

e. Chief Executive Officer (CEO)

The person hired by the Managing Members to manage and oversee day-to-day operations of the Alliance.

f. Claim

"Claim" means the assertion of any position, right or responsibility by or against the Alliance, excluding "uncollectible accounts" and any claims asserted by or against the Alliance that have or may reasonably become the subject of litigation.

g. Emergency

Unforeseen circumstances beyond the control of the Alliance that either presents a real, immediate threat to the proper performance of essential functions; or may result in a material loss or damage to property, bodily injury, or loss of life if immediate action is not taken (see RCWs 39.04.020, 39.04.280 and 53.19.010(04)). Emergencies allow for the waiver of state procurement requirements.

h. Filed with the Managing Members

Delivered to the Executive Assistant to the Managing Members for retention and distribution to the Managing Members.

i. Goods and Services

Means natural resources; equipment; materials; supplies; or other finished goods or products, utilities and utilities-related services (including services provided by public agencies); maintenance; security; and other miscellaneous services.

j. Homeport

For the purposes of this Delegation of Authority Master Policy “Homeport,” when used in connection with specific Alliance assets, means the port where the asset is located.

k. Indefinite Delivery Indefinite Quantity Contract

Indefinite delivery, indefinite quantity contracts (“IDIQ”) provide for an indefinite quantity of services for a fixed time. They are used when the precise quantities of supplies or services required during the contract period cannot be determined.

l. Interlocal Agreement

A binding agreement between the Alliance and other local governmental agencies, including the Managing Members, that allows for the provision of services or facilities between those agencies.

m. Managing Members

The Ports of Seattle and Tacoma, acting through their own elected commissioners.

n. Material Scope Change

Work that was not previously included in the Project authorization or substantially changes the intent of the Project.

o. Municipal Research and Services Center (MRSC)

The Municipal Research and Services Center (MRSC) is a nonprofit organization that serves all cities and towns in Washington, all counties, and hundreds of special purpose districts, state agencies, and other government partners. MRSC has operated as a private nonprofit since 1969 under the auspices of RCW 43.110.030. Firms can register their businesses by following the instructions at <https://mrscrosters.org/businesses/registration-instructions/>.

p. Normal Alliance Operations

Administration of day-to-day Alliance operations and the regular day-to-day business transactions involving personnel, materials, facilities, money and other assets.

q. Normal Operating Expense

Means the Alliance budgeted operating and non-operating revenues and expenses reviewed, approved, and authorized by the Managing Members as part of the budget process, or as subsequently amended by the Managing Members during the budget year.

r. Personal Services

Personal services are generally professional or technical expertise that are necessary to accomplish a specific study, project, task or other work statement, which may not reasonably be required in connection with a public works project meeting the definition of RCW 39.04.010(4). Personal services do not include purchased services as defined in RCW 53.19.010(8) or professional services procured using the competitive selection requirements in Chapter 39.80 RCW (A&E).

s. Project

- i. For the purposes of this Delegation of Authority Master Policy, a “Project” creates or modifies a capital asset or creates a cost outside of Normal

Operating Expenses. A Project may be classified as a capital or expense.

1. Public Works Projects – As defined in RCW 39.04.010, public work projects include construction, alteration, repair or improvement other than ordinary maintenance executed at the cost of the Port. Work associated with public work projects includes planning, scoping, engineering, design, permitting, construction and contract solicitation and administration.
2. Non-Public Works Projects – Generally includes defined work that the CEO has determined will be managed as a Project. Projects do not, however, include regular, recurring or routine work associated with normal Alliance operations. This category also includes projects by the information and technology departments that may require a major upgrade or replacement of an information or communication hardware or software system.
3. Environmental Projects – Include pollution investigations, cleanups, and habitat restoration. Environmental projects may also involve regulatory direction, oversight, and agreements, extended periods of investigation and study prior to construction, and continuing monitoring and maintenance after clean-up and construction.

t. Professional Services

Those services within scope of RCW 39.80.020(5) or professional or technical expertise provided by a consultant to accomplish a specific study, project, task, or other work statement which is reasonably required in connection with public works projects.

u. Public Work

Construction, alteration, repair and improvement other than ordinary maintenance meeting the definition of RCW 39.04.010.

v. Service Agreements

An agreement, such as an Interlocal agreement between the Alliance and Managing Members or between Managing Members that allows for the provision of services related to normal Alliance or port operations or Projects.

w. Vessel Service Agreements

An agreement between the Alliance and vessel steamship lines or their subsidiaries.

2. PREAMBLE

a. Roles and Responsibilities of the Alliance

- i. The primary mission of the Alliance is to act as the exclusive operator and manager of Alliance cargo and terminal properties for the Ports of Seattle and Tacoma (Homeports). The purpose of the Alliance is to promote and assist economic development of the Homeports' marine cargo operations, acting through its Managing Members, with an emphasis on unified business retention and recruitment, coordinated enhancement of the value of marine cargo assets, improved intermodal rail service, improved freight capabilities, and the general promotion of maritime economic development and other related port business activity.
- ii. The Alliance operates and manages licensed properties; oversees capital investments; optimizes the value of marine cargo assets; grows cargo volumes and protects market share for the benefit of the region and state; manages overall terminal capacity, through coordinated investment strategies; provides enhanced job prospects for the Managing Members' labor and

business partners; and achieves overall financial returns that not only enable reinvestment but also provide additional financial returns for each Managing Member.

b. Relationship between the Alliance Managing Members and the Alliance Executive (CEO)

- i. It is the Managing Members' responsibility to establish Alliance policies, hold the CEO responsible for the implementation of such policies, and to authorize the expenditures of public funds to implement those policies. It is the CEO's responsibility to implement the policies and to inform the Managing Members on how the policies will be implemented.
- ii. The operations and affairs of the Alliance are managed by the two port districts as members of the Port Development Authority ("PDA") and via the Charter for the Alliance. Each port district member shall act in such capacity through its own elected commissioners. All statutory powers and authority of the Alliance not delegated herein are retained by the Managing Members.
- iii. The Managing Members and the CEO shall regularly inform and consult each other on the execution of Alliance policies, operations, and information relevant to Managing Members oversight. Public oversight is inherent in the Managing Members' role. Oversight cannot be delegated away, and nothing in this Delegation of Authority Master Policy shall be construed as doing so.
- iv. The Managing Members may at any time waive any portion of the delegated authority conferred upon the CEO under this Resolution by vote or action as described in their By-Laws.
- v. The Managing Members may at any time rescind or suspend all or any portions of the delegated authority conferred upon the CEO under this Resolution by further resolution passed in a public meeting.

3. OVERVIEW OF THE ADMINISTRATIVE AUTHORITY OF THE ALLIANCE CEO

- a.** This policy is adopted by the Managing Members of the Alliance for the purpose of establishing the administrative authority of the CEO, who is responsible for Normal Alliance Operations. The statutory provision for the administrative authority in this Resolution is RCW 53.57.030 and this Resolution is expressly subject to provisions governing port development authorities and port district operations.

b. Roles and Responsibilities of the CEO

- i. The CEO derives authority from the Managing Members, and is responsible for carrying out the Managing Members' policies.
- ii. The CEO serves as primary spokesperson for Alliance operations and management.
- iii. The CEO retains professional staff, and will promulgate policies and procedures that create administrative, monetary, and contractual delegations of Managing Members-granted authority as may be appropriate.
- iv. Subject to the limitations identified in this Delegation of Authority Master Policy, the CEO shall be responsible for:
 1. Operation, maintenance, administration, and use of the Alliance's terminals, properties, and facilities;
 2. Implementation of construction work and alterations, repairs and improvements to real estate and physical facilities controlled and operated by the Alliance;

3. Administration of day-to-day Normal Alliance Operations which may include personnel administration, task and project assignments, hiring, firing, discipline, and training;
 4. Execution of contracts and other documents related to Normal Alliance Operations that are related to or pursuant to a Project or matter authorized by the Managing Members, or otherwise authorized in this Resolution;
 5. Applying for permits associated with Alliance facilities or projects;
 6. Application for and acceptance of grants or other funds from federal, state, or local governments, subject to the approval of Managing Members if required per Sections 9.d. herein; and
 7. Delivery of services essential to the Alliance's mission; financial and accounting related matters; legal matters; and all other administrative matters.
- v. In the absence of the CEO, a Deputy Chief Executive Officer or the CEO's designee has full delegation of the CEO.

4. CEO POWERS DELEGATED BY CHARTER.

Pursuant to the below-referenced Articles/sections of the Charter, the Managing Members acknowledge the following delegations to the CEO. In the event of any lawful modification to the Charter which affects the Articles/sections below, the Charter provision shall take precedence and this Delegation of Authority Master Policy shall be amended to be consistent with such Charter revisions.

a. Article 2.6(e) Filing of Certificates

The Managing Members shall authorize, and the CEO shall execute, deliver, and file, any certificates (and any amendments and/or restatements thereof) necessary for the PDA to qualify to do business in any jurisdiction in which the PDA may wish to conduct business.

b. Article 2.6(e) Actions Required to Do Business

The Managing Members shall authorize, and the CEO shall cause, the PDA to be qualified, formed, or registered in any jurisdiction in which the PDA transacts business in which such qualification, formation, or registration is required or desirable.

c. Article 4.1(a) Distributions

The PDA through the CEO will make distributions of all Distributable Cash to the Managing Members as soon as practicable after each Calculation Period. Prior to executing any distribution, the CEO shall provide a report of the planned distribution to the Managing Members.

d. Article 5.2(a) Accounting, Tax, and Record Keeping

The Managing Members through the CEO shall oversee the accounting, tax, and record keeping matters of the PDA, which shall be kept in compliance with GAAP and applicable laws and regulations.

e. Article 5.7 Tax Reports

All tax returns and reports of the PDA shall be prepared at the direction of the CEO.

f. Article 5.9 Elections

Except as otherwise provided in this Charter, all decisions as to accounting principles, whether for the PDA's books or for tax purposes (and such decisions may be different

for each such purpose) and all elections available to the PDA under applicable tax law, shall be made by the CEO.

g. Article 5.10 Tax Audits and Litigation

- i. **Designation of Tax Matters Person.** The CEO is hereby designated as the tax matters person ("Tax Matters Person") with respect to the PDA. In such capacity the Tax Matters Person shall have all of the rights, authority, and power, and shall be subject to all of the obligations, analogous to those of a tax matters partner to the extent provided in the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated there under; provided, that the exercise of such rights, authority, and power shall be consistent with all PDA elections and provided further that if any exercise of such rights has an adverse impact on a Managing Member, the consent of such Managing Member shall be required.
- ii. **Foreign, State, and Local Tax Law.** If any foreign, state, or local tax law provides for a tax matters partner or person having similar rights, powers, authority, or obligations as described in Section 5.10(a), the CEO shall also serve in such capacity and shall represent the PDA in all tax audit contest or settlement matters to the extent allowed by law.

h. Article 6.5 CEO Authority

- i. The CEO is the principal executive officer of the PDA, has general charge and supervision of the business of the PDA, and shall see that all orders, actions, and resolutions of the Managing Members are carried out. The CEO will be responsible for the executive management of the PDA, and shall report directly to the Managing Members acting in their governing capacity. The CEO has the authority to establish the reporting structure within the PDA and to take such actions, subject to this Charter, as are in accordance with the Delegation of Authority Master Policy, and shall have such other authority and shall perform such other duties as set forth in this Charter or the Delegation of Authority Master Policy, or, to the extent consistent with this Charter, such other authorities and duties as prescribed by the Managing Members.

i. Article 10.3(b) Dissolution/Termination.

- i. Before any distribution of any PDA-Owned Personal Property to the Managing Members or the distribution of any proceeds from the sale of any PDA-Owned Personal Property to the Managing Members pursuant to this Section 10.3, the PDA shall first pay the debts and liabilities of the PDA and the expenses of liquidation and establish any reserve that the Managing Members shall deem reasonably necessary for any anticipated liabilities or obligations of the PDA, including liabilities pursuant to PDA agreements not otherwise transferred in connection with the winding up of the PDA (collectively, "Contingencies").

5. GENERAL PROVISIONS

- a. Regardless of the provisions and delegations contained in this Resolution, the CEO shall bring forward to the Managing Members for consultation or approval any action of a sensitive nature as identified by the Managing Members or the CEO.
- b. The CEO shall provide financial, economic and environmental analysis for real estate transactions and planned investments to Alliance managed properties.
- c. This Delegation of Authority Master Policy shall be reviewed annually by the Managing Members.

6. PLANNING AND BUDGET IMPLEMENTATION

a. Long-Range Business Plans

- i. The Managing Member-approved Strategic Business Plan shall be the basis for the development of all Alliance programs, Projects, initiatives, the Capital Investment Plan, and Annual Operating Budgets.

b. Administering Normal Alliance (Day-to-Day) Operations

- i. In administering day-to-day Alliance operations, the CEO may reallocate amounts within and otherwise incur variances from the annually approved Operating Budget so long as such reallocations are consistent with the Managing Members' established policies and delegated authorities.

c. Funding of Projects

- i. When seeking the Managing Members' authorization for any Project, the CEO shall clearly indicate whether such Project was within the Annual Plans and, if not, how it is to be funded.

7. POLICIES GOVERNING REAL PROPERTY

The CEO is authorized to take all necessary actions in connection with agreements or transactions for use of all real property owned by the Ports and leased to the Alliance as designated herein. The Managing Members' delegation of authority to the CEO extends to the following types of transactions and agreements including rental agreements, leases, operating agreements, easements, franchises, permits, rights of entry and other user agreements as provided herein. Except where otherwise provided in this Delegation of Authority Master Policy, all real property transactions will be subject to an appropriate written agreement authorized by the Managing Members and executed by the CEO.

a. General Provisions for Real Property and Operating Agreements

- i. The CEO is delegated the authority to:
 1. Enter into operating agreements, including vessel service agreements, with a value up to and not exceeding \$300,000 cumulatively;
 2. Enter into amendments to existing real property agreements previously authorized by the Managing Members, valued up to and not exceeding \$300,000 cumulatively;
 3. Accept a bond, secure CD or other rental security for real property agreements in compliance with RCW 53.08.085 and Alliance policy. Other acceptable rental security may be cash or cash equivalent such as Letter of Credit, Lease Bond, or other prior approved rental security instruments in a form approved by Alliance Legal Counsel.
 4. Sign, on behalf of the Managing Members, all harbor area and waterway leases between the Alliance and other public entities that have been authorized by the Managing Members.
 5. Take all necessary actions on behalf of the Alliance and its officers in connection with lease surety bonds, lease surety, rental insurance, or other insurance coverage required pursuant to any leases of the Alliance.

b. Rental/Leasing Agreements

- i. Container, Industrial, Cargo and Container Support Properties

The CEO is authorized to enter into real property rental/lease agreements with a term of month-to-month or with a term of one year or less when the

associated expenditures of the Alliance for improvements that the rental/lease agreement expressly requires the Alliance to make to the Premises at the beginning of the rental/lease agreement do not exceed \$300,000. The intended use of rental/lease property must be expressly stated in writing. Lease Security Requirements:

Lease Term	Security Required
Month-to-Month up to One Year	3 Months plus LET
Term Agreements up to one year	3 Months plus LET
Over One Year to Three Years	3 Months plus LET
Three to Five Years	6 Months plus LET
Greater than Five Years	9 Months plus LET*

*Container Terminal agreements shall require a minimum security deposit of twelve months rental (plus leasehold tax amounts).

- ii. Adjustments or modifications which decrease the minimum required security deposit will require Managing Members authorization.
- iii. The Security Deposit shall be posted in advance of the occupancy, and to be held by the Alliance as a rental security for the full duration of term/occupancy and to insure compliance with the terms of the lease agreement.
- iv. All term agreements over one year shall require Managing Member authorization and are subject to the minimum security deposit requirements as described above.

Where the Managing Members have approved a real property rental/leasing agreement, which contains one or more options to extend the lease term, the CEO is authorized to exercise that option when the associated expenditure of the Alliance does not exceed \$300,000 cumulatively.

- v. All rental/lease rates shall be based upon market rates established for the specific use under consideration and the condition of such facility consistent with the strategic business plan.
- vi. A public briefing of available properties will be provided at least annually to include a summary of new leases, properties available, including how available properties are being marketed and those properties that have an expression of interest.
- vii. Payment of Real Estate Commissions.
 1. The CEO is authorized to retain licensed real estate brokers for the purpose of marketing for lease of Alliance controlled properties.
 2. Commissions may be paid to licensed real estate brokers that actually initiate bona fide leases for the Alliance upon satisfactory proof being submitted to the Alliance that the broker actually initiated and completed the lease transaction for which they claim commission. In addition, thereto, the broker shall file with the Alliance within ten days from broker's appointment as their client's agent for the purpose of aiding in the leasing of the real property a statement under oath that the broker actually initiated the bona fide transaction together with the name of the broker's client and the date of their first contact with said client. Unless this provision is strictly complied with, the Alliance will not pay a claimed commission.
 3. For properties the Alliance "exclusively lists" with brokers to lease, a commission based on market rates that consider transactions of similar

size, but no more than five percent (5%) shall be paid of the net rental to the Alliance for up to five (5) years of the approved lease agreement. For approved leases initiated and completed by licensed brokers in compliance with this Master Delegation Policy a maximum of up to three percent (3%) commission shall be paid for properties not exclusively listed for lease with a broker. Net rent shall mean rent net to the Alliance with Lessee paying taxes, utilities, maintenance and insurance. Costs for Alliance paid tenant improvements, utilities, and other services specific to the lease will be subtracted from the net rent amount for calculations of commissions paid.

4. Commissions shall not be paid on leases involving existing tenants for new leases, expansions, new space rentals, renewals or options exercised or repayment to the Alliance for tenant improvements made by the Alliance on behalf of the Tenant, payments made to the Alliance from security deposits, or any escalation of the net rent.
5. Commissions shall be earned as the net rents are collected by the Alliance.

c. Alliance Grants of Covenants and Easements

i. Easements, Licenses, Access Permits or Other Rights of Entry

1. The CEO is authorized to enter into agreements for easements and covenants up to two years in duration where the impairment does not substantially interfere with the Alliance's intended use or reasonably future intended use. "Substantially interfere" shall mean when Fair Market value is not reduced more than an estimated \$300,000 in any one year. The form of any easement and or covenant shall be approved by Alliance or Homeport legal counsel.

ii. Easements – Port Owned Property

1. Easements and covenant agreements beyond two years shall require respective Homeport Commission authorization. Routine utility easements required to provide service to Port-owned real property shall not require Managing Members or respective Homeport Commission approvals.

d. Easements for the Alliance Use of the Property of Others

- i. The CEO is authorized to enter into easements for the Alliance use of the real property owned by others for agreements up to one year and the Alliance paid cost for the use is up to \$300,000 annually.
- ii. Real property easements, excluding utility easements, for Alliance use that are greater than one year require the authorization of the Managing Members.

e. Agreements (Other than Easements) for the Alliance Use of Real Property Owned by Others

- i. The CEO is authorized to enter into agreements for the use of real property owned by others if the term of the use is one year or less and the Alliance paid cost for the use is up to \$300,000 annually.

8. POLICIES GOVERNING AUTHORIZATION FOR PROJECTS, CONTRACTING, PROCUREMENT AND EMERGENCIES

- a. The CEO is authorized to control and direct all necessary activities that require contracting and procurement of goods and services associated with carrying out Normal Alliance Operations. Contracting and Procurement activities for the Alliance will be in compliance with applicable laws and regulations. Normal Alliance Operations generally include the following contracting and procurement

activities: Public and non-public work-related projects and; utilizing personal and professional services and purchased goods and services, as provided herein. The Alliance shall endeavor to use a variety of firms, including small business firms, based on the nature of the work and the expertise of the firm.

b. Interlocal Agreements

- i. The Managing Members' authorization is required for Interlocal Agreements with other public agencies. Interlocal Agreements shall comply with the requirements of RCW 39.34 except that the CEO is authorized to approve and authorize all Interlocal Agreements (Service Agreements) between the Alliance and the Homeport(s).
- ii. The CEO is authorized to enter into non-binding agreements with other governmental agencies and non-governmental entities in situations where the agreement does not create any financial obligation for the Alliance, any binding contractual obligation, or impair any Alliance or Port-owned assets, and has been reviewed by Alliance Legal Counsel.

c. Projects

- i. Actions authorized by the Managing Members or delegated to the CEO by this Delegation of Authority Master Policy may be executed either directly by Alliance staff, by contract, or by agreement with either Homeport via Support Service Agreements with the Homeports.
- ii. The CEO may authorize Projects where the estimated Project cost, inclusive of all costs related to the work, does not exceed \$300,000.
- iii. Managing Members' authorization is required for Projects where the total estimated Project cost exceeds \$300,000.
 - 1. The CEO may authorize spending up to \$300,000 for Project work where the total estimated Project costs may exceed \$300,000.
 - 2. Presentations to the Alliance which request Managing Members' authorizations will disclose Project spending previously authorized by the CEO and spending previously authorized by the Managing Members or Homeport Commissions.
 - 3. Depending on the overall estimated Project costs and complexity the CEO may request authorization at key stages in the Project (i.e., design, execution of work, remediation, etc.).
 - 4. Projects shall not be broken into units or accomplished in phases to avoid Managing Members' authorization.
 - 5. Where personal, professional, or purchased goods and services are part of a Project, authorization of expenditures will be managed as part of the Project authorization and additional authorization is not required.
 - 6. Public works contracts not part of a Project and not a part of Normal Alliance Operating Expenses are subject to the same authorization process as Projects.
 - 7. For Small Public Works projects up to \$300,000 in value, the Alliance may use the Municipal Research and Services Center (MRSC) Contractor Roster as authorized by RCW 39.04.155.
- iv. Authorization for Alternative Public Works Contracting Procedures. Managing Member authorization is required to perform public work under procedures alternative to design-bid-build, as defined in RCW 39.10, for design-build and general contractor/construction manager. For such contracts, staff will propose for Managing Members' approval a sequence of authorization steps.

- v. IDIQ contracts for Public Works and job order contracts (authorized in RCW 39.10) may be approved by the CEO and all work falling under the IDIQ or job order contract is to be authorized per the applicable Delegation of Authority Master Policy as a Project subject to the limits set-forth herein.
- vi. Project Changes. Projects that have been authorized by the Managing Members and have a change in the scope, schedule or cost require the following actions:
 - 1. Managing Member's authorization will be required if a material scope change occurs in the Project.
 - 2. The Managing Members will be notified if a Project schedule delay has an anticipated financial impact on a customer or other affected stakeholders.
 - 3. Managing Members will be notified before or at the next available public meeting as soon as it is determined that the project cannot be completed for the previously authorized amount. When the value of the work has been determined or calculated Managing Member authorization will be requested for amounts that exceed the currently authorized amount.
- vii. On-going environmental stewardship, monitoring, and compliance activities, where the costs have been authorized as Normal Operating Expense through the budgeting process do not require an independent Project authorization.
- viii. The CEO may resolve all claims arising from public works contracts through the mediation phase. Managing Members will be notified of potential settlements which may exceed the authorized Project amount and additional authorization will be requested in accordance with the requirements for project changes contained in this delegation of authority.

d. State and Federal Environmental Remediation Agreements

- i. Environmental Remediation Liability Projects
 - 1. For environmental projects, the CEO may authorize spending only to the same limits as outlined above in the Public Works section of this Delegation of Authority Master Policy.
 - 2. For environmental projects with a total estimated cost that exceeds \$300,000, staff will seek project-specific Managing Members authorization as soon as the cost for an environmental Project is anticipated to exceed \$300,000.
 - a. An estimate or range of estimated costs for the overall future environmental remediation associated with the agreement and future anticipated agreements will be reviewed at the time of the request for authorization.

e. Project and Contract Reporting

- i. The CEO shall report semi-annually to the Managing Members for all Projects authorized by the Managing Members. The report shall include project schedule, current estimate, authorized amount, cost to date, summary of any changes to scope, and any other significant developments with respect to the Project. Selected environmental Projects that have moved into long-term (5 years plus) monitoring (or maintenance) programs shall be exempt from Project reporting. A summary of all Real Estate commissions will be reported semi-annually.
- ii. The CEO shall report quarterly to the Managing Members all project and contract authorizations equal to or greater than \$50,000 authorized through the delegated authority provided in this resolution up to \$300,000. The report

shall include the type of authorization, a brief description of the authorization, and the amount of the authorization. All Professional and Personal Services contracts as well as Settlement of Claims, including litigation, regardless of the amount, will be reported quarterly.

- iii. At the Managing Members direction, the CEO shall report on any Project of a sensitive or critical nature.

f. Professional Services Contracts

- i. The CEO is authorized to execute Professional Services Contracts associated with Normal Alliance Operations up to \$300,000 cumulatively.
- ii. IDIQ contracts for professional services may be authorized by the CEO and all work falling under the IDIQ contract is to be authorized per the applicable Delegation of Authority Master Policy as a Project or contract subject to the limits set-forth.
- iii. For Professional Services contracts, up to \$200,000 in value, the Alliance may use the MRSC Consultant Roster as authorized by RCW 39.80.

g. Personal Services Contracts

- i. The CEO is authorized to approve personal services contracts in the conduct of Normal Alliance Operations when the following conditions exist:
 - 1. The cost of the proposed personal service contract shall not exceed the amount of \$300,000 cumulatively with amendments.
 - 2. The specific contract or class of contract has been formally waived by resolution of the Managing Members from competitive solicitation process; or is exempt by RCW 53.19.020 or unrestricted by RCW 53.19.070.
- ii.
