

1 **2019 Local Government Affairs Agenda**

2 **Preserving maritime and manufacturing lands**

3 Support local land use and transportation policies, including long range plans such as subarea
4 planning, that maintain or enhance maritime and manufacturing lands, and the critical road and
5 rail infrastructure required for freight mobility. The goals being to preserve industrial lands,
6 freight mobility, allow for the anticipated development of marine cargo facilities and support
7 the growth of related family-wage jobs.

8 **Improving and maintaining the regional freight systems**

9 Support and work with our jurisdictional partners in obtaining grant funding that enhances
10 freight corridors that improve the competitiveness of Alliance properties, benefits the local
11 community and improves safety.

12 **Future transportation infrastructure projects**

13 Work with local transportation jurisdictions including Sound Transit and Washington State
14 Department of Transportation to ensure new infrastructure projects have limited negative
15 impacts to freight mobility/capacity and provide increased safety for all users.

16 **Conditional street vacations at terminals 5 and 18**

17 Support City of Seattle staff in finalizing the conditional street vacation packages at terminals 5
18 and 18, including advocacy for the respective relevant ordinances to be adopted by City
19 Council.
