

THE NORTHWEST SEAPORT ALLIANCE
MEMORANDUM

MANAGING MEMBERS
ACTION ITEM

Item No.: 8E
Meeting Date: May 5, 2026

DATE: April 16, 2026
TO: Managing Members
FROM: John Wolfe, CEO

Sponsor: Dana Henderson, General Counsel
Project Managers: Vivienne Nguyen, Senior Counsel

SUBJECT: Second Reading: Resolutions 2026-03 Municipal Research Services Center (MRSC) Rosters and 2026-04 Delegation of Authority Master Policy

A. ACTION REQUESTED

Request Managing Members of the Northwest Seaport Alliance (NWSA) adopt Resolution 2026-03 authorizing use of MRSC Rosters and Resolution 2026-04 amending the Delegation of Authority Master Policy to implement the MRSC Rosters.

B. SYNOPSIS

The two proposed resolutions would allow NWSA to make use of the MRSC Rosters contracting procedures, allow for additional administrative efficiencies in the procurement process for lower dollar-valued procurements, and support increased opportunities for small businesses.

Commissioners did not request any revisions to the proposed draft resolutions during the first readings on April 7, 2026 or since, so the proposed resolutions for requested adoption are unchanged and reflect clean versions of the draft redlines as presented on April 7, 2026.

C. BACKGROUND

The Small Works Roster procedures for Public Works contracts in RCW 39.04.151 and RCW 39.04.152 allow agencies in the state of Washington to award qualifying small contracts under \$350,000 without calling for formal bids by requesting quotes from a list of responsible contractors administered by the MRSC.

In 2023, the Legislature amended the Small Works Roster statute raising the qualifying contract thresholds and allowing new Direct Contracting procedures for public works projects with an estimated cost less than \$150,000 to encourage agencies to increase the use of small businesses. The new rosters and procedures resulting from the amendments became available in 2024. To use the new Small Works Roster process including Direct Contracting, state law (RCW 39.04.151(4)) requires the Managing Members to adopt a resolution to establish rules for reporting procedures and a commitment to providing the most practicable opportunities for small businesses when using Direct Contracting. Additional Direct Contracting statutory authority is provided at RCW 53.08.120.

The proposed resolution (Res. 2026-03) follows a state-recommended template for local governments. In addition to establishing the rules required for compliance with RCW 39.04.151(4), the proposed resolution also includes procedures allowed by chapters 39.80 RCW (Professional Services) and 53.19 RCW (Personal Services) to award certain service contracts by a consultant roster process.

Proposed Delegation of Authority Master Policy Resolution (Res. 2026-04) reflects only those amendments necessary to implement the addition of the MRSC Rosters program consistent with Res. 2026-03.

D. FINANCIAL IMPLICATIONS

Financial Impact

No funding is needed to adopt the proposed resolutions. Adopting the resolutions would allow NWSA to make full use of the MRSC Rosters contracting procedures.

RESOLUTION NO. 2026-03
