# Background – RSM Contract

- Spring 2016 RSM awarded contract after competitive procurement and authorization from the audit committee and commission.

3 yr. contract (2016-2018) \$280,000

Option period (2019-2020) \$197,500

Total \$477,500

- In 2017, SAO required financial audits comply with GAS and not GAAS - \$10K increase for 2017 & 2018.
- In 2018, SAO declined the single audit engagement.

## Scope of Audit:

- Annual Financial Audit
- Expand scope for Single Audit

Single audits and financial statement audits have similar requirements:

- internal control understanding and testing, and
- financial statement audit.

Due to overlap of audit activities, staff recommends that RSM perform the single audit to minimize incremental audit and staff costs.
