Jobs 253 as a pathway to the Maritime 253 Skills Center

Training Experience. A Training Experience is a structured, supervised career-connected learning opportunity that provides students with skill development, exposure to workplace expectations and career pathways, and opportunities to build employability, technical, occupational, and/or industry-specific competencies. Each Training Experience will include a minimum of forty (40) hours of participation, training, and/or workplace exposure and may include internships, work-based learning placements, technical training, industry credential preparation, or other approved career-readiness activities.

Action Requested

Request authorization for the Executive Director, or his designee, to execute an Interlocal Agreement (ILA) with Tacoma Public Schools for workforce training for the period of January 1, 2027 through December 31, 2029 in substantially the same form as included in the materials.
